Covid Regulations

- All clubs must hold their **meetings virtually** such as zoom.
- Any in person meetings, even if socially distanced will not be acknowledged by the school
- Make sure your advisor is (virtually) present at all meetings.

Strikes

- All clubs **MUST** submit Meeting Minutes within two days after any club meetings
- **FAILURE TO DO THIS WILL RESULT IN A STRIKE**
 - Each club has three strikes, receiving three strikes will result in your club being terminated.

Club Rush

- Club Rush will be held during the week from either **Wednesday, the 7** on or at a slightly later date.
- Club Presidents must submit a **15-30 second video** that will be uploaded to flip grid (or YT) summarizing their clubs purpose and giving their own remind information (**each club must create their own remind**). The videos will then be compiled into one large video that students can then view and sign up for their desired clubs - through the remind information the Club Presidents provided. **Must be school appropriate and will qualify for review by school administration to be apart of club rush.**
- Failure to submit video before **Tuesday, October 6** will result in invalidation of club
